Delays Expected:

Please be advised that due to the global constraints on manufacturing and logistics we are expecting delays on orders and couriers. We recommend placing your order as early as possible to avoid delays and to secure a device while we have stock.

If a device is out of stock please refer to the ETA stated on the portal. ETA's are estimated and subject to change due to delays from manufacturing.

Education Specialists:

Edunet is proud to be an Authorized DET Supplier for Government Schools and also a trusted advisor for many Catholic/Private & Independent K-12 schools. With over 18 years' experience in both IT and Education, our strength is in our quality of service and our mission is to maintain long term relationships that benefit both school and community.

Education Devices & Prices:

Edunet are Authorized Education Suppliers for key Device manufacturers. Because of this, we are able to provide the lowest Education pricing on a range of laptops that aren't available in the retail stores!

Access to School IT Support:

By purchasing through the school's Edunet portal, it provides your School's IT Team the visibility to assist with any warranty/insurance faults. If the device can't be fixed by the School Tech, they will reach out to Edunet and we'll come onsite to the school and repair the device.

Speak to your school for clarification, but if you bring a device from a retail store or from home the school will only be able to provide limited support. This is because the warranty and insurance support is managed by the retailer you purchased the device from.

Onsite Warranty Support:

As an Authorized Warranty Service provider, Edunet are able to provide onsite repairs under the genuine manufacturer's warranty with genuine manufacturer's parts.

By purchasing the Onsite Warranty through Edunet, you will be able to call on us to repair your student's device at the school, or at your home if it's during school holidays!

If you purchase a device through a retail store, it likely means repairs are done at their repair depot, which means you'll need to hand the device over to them for an unknown amount of time.

Education Insurance:

Through iBroker Insurance, Edunet is also able to repair your son or daughter's device onsite at the school or at your home. Further information on iBroker is provided below in this information pack.

12 Months Interest Free:

Through ZipMoney you will be given the option to pay off the purchase with 12 months' interest free financing. Further information on ZipMoney is provided below in this information pack.
